SALEM 96-1

TRAFFIC ALERT: ROUTE 460 TRAFFIC DETOURED IN TOWN OF CHRISTIANBURG

SALEM – Route 460 is closed in the Town of Christiansburg near its intersection with Route 641 (Wayside Drive) due to a water main break which has caused a large hole to form in the roadway. The eastbound and westbound lanes of Route 460 are blocked.

The Virginia Department of Transportation has set up a detour to route traffic off Route 460 onto Wayside Drive. The detour is expected to remain in place until sometime late afternoon while the Town of Christiansburg makes repairs on Route 460.

For updates on this incident, call 511 or log onto www.511virginia.org.
